

Guard your home with Peveeta steel doors.

RESIDENTIAL DOORS

### Who we Are

Peveeta Metalsmith has been manufacturing high-quality steel doors for residential & commercial properties for several decades. Founded on the principles of durability, security, and style, Peveeta has continuously strived to innovate and improve its products over the years. With a focus on using the best materials and advanced manufacturing techniques, Peveeta steel doors have become synonymous with quality and reliability in the industry. The company's commitment to customer satisfaction and delivering top-notch products has solidified its reputation as a trusted provider of steel doors for various applications.

# Safe, Intelligent, **Fashionable**

Peveeta Elite Home Entrances are the epitome of luxury and security for your residential property. Crafted with the finest materials and cutting-edge technology, these doors offer unparalleled style and sophistication. Not only do they enhance the aesthetic appeal of your home, but they also provide top-notch security features to keep your loved ones safe. With Peveeta Elite Home Entrances, you can enjoy peace of mind knowing that your home is not only stylish but also well-protected.

Enhanced Security: Made from high-quality steel, they provide strong protection against intruders.

Durability: Resistant to warping, cracking, and weather-related wear, ensuring long-lasting performance.

**Energy Efficiency:** Advanced insulation properties help maintain indoor temperatures and reduce energy costs.

Aesthetic Appeal: Sleek design and customizable finishes enhance the home's curb appeal.

Low Maintenance: Easy to maintain, requiring minimal upkeep compared to traditional wooden doors.
